- All participants, volunteers and spectators enter and attend the event entirely at their own risk.

- We reserve the right to refuse entry to the event in our absolute discretion if for whatever reason we consider a person unfit to take part. We may also ask you to withdraw during the event if we have concerns about your ability to complete it due to fitness, injury or otherwise. If you continue, you do so with the understanding that you absolve us of all and any responsibility and progress entirely at your own risk.
- We take all reasonable steps to minimise the risk of injury to participants during fundraising events. There is a risk assessment process in place for the Event, which aims to minimise or eliminate the risk to everyone taking part. However, by taking part in the event, you acknowledge that it is potentially hazardous and that there may be conditions or circumstances beyond our control that can lead to unforeseen risks.
- All participants must run with care and attention and abide by the UK Highway Code and any other rules stipulated by the event organiser, Event marshals, police and officials.
- First aid facilities will be provided. Any major incidents should be reported to 999.
- By taking part in the event, you consent to receiving medical treatment administered by medically qualified personnel during the event if required in any circumstances where you are unconscious or otherwise incapable of making a decision regarding medical treatment.

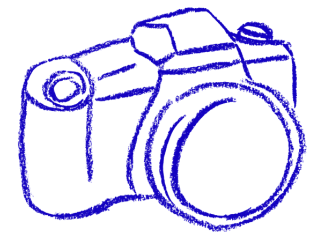

- As the event is taking place in late November, we will be taking the weather conditions very seriously and in the case of severe ice and snow, we will ensure the route is safe before going ahead. In the event that the route is not safe, we reserve the right to postpone/cancel the event for participant safety. See section 'Postponement and Cancellation' for further details.
